

Information

ALLERGY & CHOKING ALERT

In consideration of children with life-threatening allergies, as well as to reduce the risk of choking, the following are not permitted - peanuts, nuts & nut products, gum, hard candy, popcorn, mini cereals (such as Cheerios).

CHILD INFORMATION

Please provide the caregivers with information specific to your child to ensure their safety and wellbeing while they are in the child minding area. This includes health, toileting, feeding and behavioural details.

Any emergency medication (eg. EpiPen, Inhaler) will be kept in our dedicated medication box.

READY TO PLAY

Children require:

- running shoes or footwear suitable for play
- water bottle and, if required, a snack. All food is to be prepared and ready for serving

Please label all personal items with your child's name and your phone number

SAFETY & WELLBEING

Children who are ill are to remain at home until their symptoms have resolved. Please call to advise us of their absence.

A child's parent/guardian must remain in the facility while their child is in the child minding area.

Upon drop off, both the child and the parent/guardian will be assigned a numbered tag. The parent/guardian is to wear their tag in a visible location while using the facility; except when swimming.

Should a child be inconsolable or require additional support, their parent/guardian will be contacted and asked to return to the child minding area.
