

CAMP CHIEF HECTOR YMCA SUMMER CAMP PARENT NEWSLETTER

SPRING 2025

A note from the Summer Camp Team:

We are so excited to be providing you with a newsletter this spring with all the information you need to start getting ready for Summer Camp 2025!

We have been experiencing many exciting things around site the last few years, with new buildings, new activities and lots of new campers and staff to join our camp community. We hope this newsletter provides answers to many of your questions, and check out page 7 to find out how you can come visit camp this spring! We look forward to seeing you all so soon!

In the spirit of Reconciliation, we acknowledge that we live, work and play on the traditional territories of the Treaty 7 Nations. These are the Ancestral Lands of the three Bands of the Stoney Nakoda Nation: Chiniki, Goodstoney and Bearspaw, the Blackfoot Confederacy: Siksika, North and South Piikani Nations and the Kainai Tribe, the Tsuut'ina Nation of the Dene people, as well as the Metis Nation of Alberta, region 3. We gratefully acknowledge that this camp is named after Stoney Nakoda Chief Hector Crawler and that we are the current stewards of the land on which our camp sits. We are committed to exploring and understanding the historical roots of the YMCA relationship with the Stoney Nakoda people.

GETTING READY FOR CAMP

FRIEND REQUESTS

Now that your camper has registered, you may be wondering “how do I ask them to put my camper with their friends?”

In spring, we will be distributing camper forms to each registered participant via email. These forms are mandatory to be completed prior to arrival at camp. These forms include medical information, contact information and also-- friend requests!

Please note:

- you may only request a maximum of 2 other campers
- for a request to be accepted, both campers must request each other
- requests must be in the same registered program to be honoured (ex. tipi vs. cabin)
- requests are not guaranteed, but we do our best to honour them!

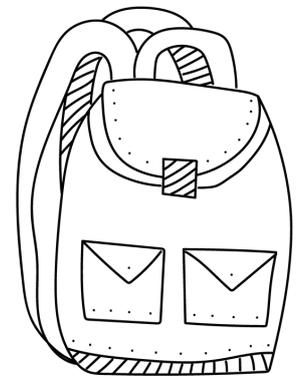

PACKING LISTS

All packing lists are now available on our website. Please note: there have been changes since 2024. You can see them by clicking here: [Packing Lists](#).

If you don't know where to start, check out The Great Outdoors: Junior Outfitters located in Calgary, Alberta. They are a great local shop that has supported CCHY for years and knows our gear lists very well!
